## The Shorter Catechism

### Q. 57. Which is the fourth commandment?

The fourth commandment is: *Remember the sabbath day by keeping it holy. Six days you shall labour and do all your work, but the seventh day is a sabbath to the LORD your God. On it you shall not do any work, neither you, nor your son or daughter, nor your manservant or maidservant, nor your animals, nor the alien/stranger within your gates. For in six days the LORD made the heavens and the earth, the sea and all that is in them, but he rested the seventh day. Therefore the LORD blessed the seventh day and made it holy.*

### Q. 58. What is required in the fourth commandment?

The fourth commandment requires the keeping holy to God such set times as he has appointed in his Word, in particular, one whole day in seven.
